

So Others Might Eat

## Donor Privacy Policy

SOME (So Others Might Eat) is a nonprofit 501c3 agency committed to providing services to poor and homeless families and single adults in Washington, DC. All donations solicited on behalf of SOME shall be used to further this mission.

SOME is also committed to respecting the privacy of our online and offline donors. We have developed this policy to assure them that donor contact information will not be shared with any third party.

**How we use your information.** We use your information to complete a transaction, communicate back to you, update you on SOME's work and request support of our programs. Credit card numbers are used only for donation or payment processing and are not retained for other purposes. We use the comments you offer to provide you with information requested, and we take seriously each recommendation as to how we might improve communication.

**No Sharing of Personal Information.** SOME does not outsource their fundraising efforts; you will not be contacted on behalf of SOME from a third party. SOME will not give, sell, rent, or lease your personal information to other organizations or individuals. Use of SOME donor information is limited to the internal purposes of SOME and only to further SOME's work.

**Removing Your Name From Our Mailing List.** We do not want to send unwanted mail to our donors. Please contact us if you wish to be placed on a reduced schedule to receive information less frequently or to be removed entirely from our mailing list.

**Contacting Us.** If you have comments or questions about our donor privacy policy, please send an email to [some@some.org](mailto:some@some.org), or call Chief Development Officer Linda Parisi at (202) 292-4413.
